

Lead Disclaimer

Thank you for supporting Second Chance! Funds earned help support our innovative job training and workforce development programs in Baltimore and beyond. Please note the following disclaimer that pertains to store purchases....

LEAD DISCLAIMER

Many products available for purchase at Second Chance have been salvaged or donated from locations we are unfamiliar with. If they are painted or somehow finished, it should be assumed the finish contains lead. The purchaser must take proper precautions to avoid contamination of those that come in contact with such surfaces. The purchaser is aware of such possibility and indemnifies Second Chance from any future liability that may be caused by these items.
