

Second Chance, Inc., a thriving nonprofit social enterprise in Baltimore, is seeking a marketing coordinator to join our team. The team member's responsibilities will be split between event planning, marketing and graphic design work.

Responsibilities:

- Create a wide range of graphics and layouts for collateral material for print, social media and website with software such as Photoshop
- Help with planning and executing events such as our annual fundraiser and quarterly pop ups
- Update product pages with pictures and descriptions on our website
- Develop retail signage
- Use Salesforce to develop reports, send mass emails and surveys
- Contribute to team efforts by accomplishing tasks as needed

Requirements:

- Bachelor's degree in graphic design, marketing or related field
- Experience as a graphic designer or in related field
- Proficiency with required desktop publishing tools, including Photoshop, InDesign Quark, Illustrator and Salesforce
- A strong eye for visual composition

Please learn about us and follow the instructions on HOW TO APPLY for this full time position at: <http://www.secondchanceinc.org/employment-opportunities>.

No phone calls, please. Second Chance is an Equal Opportunity Employer.
